EDUCATION

Suryodaya College Of Engineering And Technology

2021 – 2025

B.Tech - Computer Science and Engineering |

CGPA: 7.10

Vidhyaniketan High School And Junior College

2019 – 2021

H.S.C (Computer Science) |

91.83%

TECHNICAL SKILLS

Programming: Core **Java**, JavaScript, **SQL**, HTML, CSS

Frameworks/Tools: REST APIs, Git, VS Code , Maven

Technologies: OOP,DBMS, Tailwind CSS,JDBC, Hibernate, **Oracle**, Postgres

EXPERIENCE

Bliinc Innovations

Dec 2024 – Apr 2025

Research & Development Intern

Nagpur

- Engineered ML-based real-time face tracking for live streaming automation and performance optimization.
- collaborated in Agile sprints to deploy improvements quickly.
- Participated in daily standups, sharing updates and addressing blockers alongside hardware/software teams.

SYNC Interns

Mar 2023 – Apr 2023

Web Developer

Remote

- Assisted in designing and developing responsive web pages using HTML, CSS, and JavaScript.
- Collaborated on front-end functionality and performance improvements.
- Gained practical experience in full-stack web development through project-based learning.

PROJECTS

Student Attendance Management System | HTML, CSS, JS, SQL, Git, java

Apr 2024

- Developed and deployed a secure student Attendance management app using Java, Spring Boot, and SQL.
- Integrated REST APIs for robust data access; implemented test cases using JUnit for critical modules.
- Optimized SQL queries, resulting in 25% faster data retrieval. Built role-based access with real-time dashboards.

Realtime Face Tracking Gimbal | HTML, CSS, JS, C#, OpenCV, Arduino

Dec 2024 – Apr 2025

- Collaborated in a 4-member agile team to deliver a real-time face tracking gimbal using CNNs.
- Automated video stabilization, reducing output shakiness by 35%. Contributed to both software and hardware integration; built unit tests for C# modules.
- Enabled smart automation for AV and robotics scenarios; demoed project for peer review.

Music Player WebApp | HTML, CSS, JS

Mar 2024

- Developed a responsive music player with playlist management and seamless track navigation.
- Applied test-driven development (TDD) to core features for optimal stability.

ACHIEVEMENTS

- Secured Gold Medal in College Level Hackathon.
- Attended **Barclays Training and personality developement program**
- Achieved HackerRank Silver for Java DSA.
- Strengths:Teamwork, Problem-Solving, Adaptability, Time Management.
